2. Players who demonstrate the skill and talent to handle a European trial will be approached on an individual basis.
3. Players who show ability but need additional preparation will be approached on an individual basis.

In the past five years, over 30 players were invited to various trials in England, France, Italy, Norway, Portugal, Spain and Croatia based on their strong showing in the ID Camp.

ANB Futbol has invited various University coaches from Canada & the United States to join the camp in case there are players who are interested in showcasing their abilities to these scouts.

“We are building on the successes of previous years, and we anticipate a stronger group of players being a part of the event this year. We will also enjoy the interaction between professional coaches and the local soccer community,” said Bassam Naim, Academy Director.

ID Camp registration is limited, based on a first come, first serve basis.
