“It is wonderful to see a former female ANB Futbol athlete playing at the professional level. France is a fantastic place for Madison to continue with her professional career since the French Federation & professional clubs have invested a lot of money to grow the women’s game. Madison has a great work ethic, is technically sound and understands the game. We have worked hard to connect her with these opportunities and we are confident she will eventually sign a contract at one of the clubs. We wish her only good things for her future,” says Academy Director, Bassam Naim.
