

## Former ANB Futbol players sign with professional academies

September, 2018 (RELEASE) – Two former ANB Futbol players, who happen to be brothers, signed commitments to play with professional academies in England. The Jebbison brothers spent a significant portion of their youth development with ANB Futbol before moving to England in 2017.

**Micah Jebbison** signed a commitment with the Rocester FC first team in September, 2018 and is the youngest player in the squad. The club plays in in the Midlands Football League (9<sup>th</sup> tier in England’s playing pyramid). Micah (2001 born) started with ANB Futbol when he was 7 years old and continued training & playing with ANB until he left with his family to relocate to England in 2017. He was invited to the Canada U15 National team training camp in 2016.

**Daniel Jebbison** signed a one-year commitment with Sheffield United youth academy in September, 2018. The club’s first team plays in English Championship Division (2<sup>nd</sup> tier) and has produced many professional players. It is one of England’s oldest clubs and has a very good reputation of preparing players for the professional game. Daniel (2003 born) joined ANB Futbol at six years old and he also, continued training and playing with ANB Futbol until he left with his family to relocate to England in 2017. Most recently, Daniel participated in the Youdan Trophy – in 2017 with ANB Futbol, and in 2018 with Sheffield United, even playing against ANB Futbol during the prestigious tournament!

“It is amazing to see former ANB Futbol players signing with professional clubs in England. They will definitely continue their development in a true futbol culture, but at the same time, we are proud to say we had a hand in their development during their formative years in Canada. We wish both Jebbison brothers only success in their futboling journey!” says ANB Futbol Technical Director, Bassam Naim.

ANB Futbol's vision is to become Canada's leading soccer development organization. Its mission is to identify Canadian soccer talent, and to maximize the potential of players at any level, through professional coaching and training.
