ANB FUTBOL – Continued Partnership with Professional Player Agency ICM Stellar Sports

ANB Futbol has established a partnership agreement with ICM Stellar Sports, a professional futbol agency that represents some of the best futbol athletes across the globe.

This partnership will help give talented ANB Futbol players the exposure to professional clubs all around the world, as well as open opportunities at the collegiate level in the United States. ICM Stellar, with a North American headquarters in Boston, MA, is the top ranked futbol agency in the world per *Forbes*, and they have a long history of representing full international, domestic, and youth national team players.

“We are very excited to continue our partnership with ICM Stellar, especially as they continue to grow globally. Specifically, it is great to be involved with an intelligent and well-respected group of agents that understand the business and look out for the best of the players,” says ANB Futbol Academy Director, Bassam Naim.

The relationship has paid dividends in the past, highlighted by ANB Futbol alum Adonijah Reid signing with MLS in 2017 as the first ever Generation Adidas Canada player in the league’s history. Other ANB Futbol players have gone directly to European clubs.

“We are very excited to continue working with ANB Futbol,” says ICM Stellar agent Nicco Roffo. “I have tremendous respect for Bassam and the entire ANB Futbol staff and am consistently impressed with the caliber of players that they are producing. There will be a lot more to come!”

ICM Stellar President Patrick McCabe says, “We’ve been very impressed with the quality of the players, coaches, training sessions, and development at ANB Futbol, and we are thrilled to have the chance to be involved with such an academy.”

ANB Futbol’s vision is to become Canada’s leading soccer development organization. Its goal is to identify the top Canadian soccer talent and to maximize their potential through constant growth, development, and exposure.
